

Guidance for Commons Heilmeier Questions Response

- Follow the general guidance on the Template Page that follows
- Please provide a concise response to the following questions:
 - What are you trying to do? Articulate your objectives using absolutely no jargon.
 - How is it done today, and what are the limits of current practice?
 - What is new in your approach and why do you think it will be successful?
 - If you are successful, what difference will it make?
 - What are the risks?
 - How much will it cost?
 - How long will it take?
 - What are the mid-term and final “exams” to check for success (quantitative measures)?
- Unclassified information only
- **A maximum of two pages are allowed for this response** (i.e., two pages allowed for response to all eight questions; any information provided over the two-page limit will not be reviewed)
- Do not use text font less than 10pt
- Do not use margins less than 0.25”
- Submit in MS Word or .pdf format
